**Digest of the bill as proposed by the Conference Committee**

Present law provides that the public water, sewerage, and drainage systems of the city of New Orleans shall be constructed, controlled, maintained, and operated by the Sewerage and Water

Board of the city of New Orleans.

Present law provides that the board is composed of the mayor, three members of the city council, one of whom is required to be an at-large member of the council, two members of the board of liquidation, city debt, and seven citizens, appointed by the mayor, two at large and one from each of the five council who are subject to confirmation by the city council.

Proposed law provides for the board to be composed of the mayor, two syndicate members of the board of liquidation, city debt, and eight members appointed by the mayor from a list of nominees submitted by the Sewerage and Water Board Selection Committee. The mayor's appointments shall include one member from each of the five councilmen's districts within the city of New Orleans and two members who shall be consumer advocates with community advocacy or consumer protection experience or experience in a related field. The citizen appointees are subject to confirmation by the city council.

Proposed law requires that each citizen member shall be a registered voter in Orleans Parish and shall be domiciled in the parish of Orleans for two years previous to his appointment.

Proposed law creates the Sewerage and Water Board Selection Committee and provides a process for selecting a nomination pool of applicants. Also provides that the members of the Selection Committee will be comprised of the president, chancellor, chair, board of directors or respective designee of Dillard University, Loyola University, Tulane University, Xavier, Delgado Community College, University of New Orleans, Southern University at New Orleans, New Orleans Chamber of Commerce, New Orleans Regional Black Chamber of Commerce, and the Urban League of Greater New Orleans.

Proposed law requires each nominee to have experience in either architecture, environmental quality, finance, accounting, business administration, engineering, law, public health, urban planning, facilities management, public administration, science, construction, business management, community or consumer advocacy or other pertinent discipline.

Present law provides that terms of board members are nine years.

Proposed law reduces terms of the eight citizen members and two syndicate board of liquidation, city debt members appointed by the mayor to four years and prohibits a member from serving more than two consecutive terms of office. Also provides that in the event any appointed member is elected to any office or removes his residence from Orleans Parish, his membership on the board is ipso facto vacated, and his successor shall be immediately appointed.

Present law provides that a quorum of the board is seven members and requires a vote of board members to change rules adopted by the board.

Proposed law changes the quorum of the board to six members and requires a quorum vote to adopt or change rules.

Present law provides for board membership when redistricting or election to office or change in residency occurs.

Proposed law repeals such provisions.

Proposed law requires that in addition to the detailed annual report to the city council detailing acts, doings, receipts and expenditures of the board, the board is to make quarterly reports to the city council relative to contracts let in the construction and repair of its public systems of water, sewerage, and drainage. Proposed law enumerates the items to be included in the report.

Proposed law also requires the board to report to the city council quarterly on its operations. Provides that such report shall include, in a manner prescribed by the council, certain items including standard industry metrics for best practices, fraud prevention, employee and contractor performance metrics, benchmarks on coordination of board and department, efficiency and effectiveness of information systems, assessment and status and strategies for technologies and operation programs and assessment and status of operational reforms, capital improvement programs, and service assurance programs.

Proposed law provides that the terms of the members of the Sewerage and Water Board for the city of New Orleans in office on the effective date of this Act shall terminate on the effective date of this Act; however, any such member remains in office until his successor is appointed and takes office.

Effective on the first day of Jan. following an election at which a majority of the voters of the city of New Orleans approve an amendment to the home rule charter of the city to change the composition of the board to provide the identical composition of the board as contained in proposed law.

(Amends R.S. 33:4071(A), (B), (C)(1), and (E), 4074, and 4091; repeals R.S. 33:4071(C)(2) and (3))
