

Prior law authorized a justice of the peace to demand and receive certain amounts for filings and services in civil matters.

New law provides for an increase in court costs collected by a justice of the peace for certain filings and services in civil matters.

New law provides for an increase of \$10 in court costs for each additional defendant on certain filings in civil matters.

Effective August 1, 2013.

(Amends R.S. 13:2590(A)(1)-(21) and (25); Adds R.S. 13:2590(A)(32))
