

Existing law allows police juries to divide their respective parishes into waterworks districts.

Existing law provides that a waterworks district shall elect a fiscal agent. Requires an advertisement of intent to select a fiscal agent in a local newspaper prior to each election.

Prior law required annual election of a fiscal agent. New law authorizes election of a fiscal agent for a term of up to three years.

New law further authorizes a district to renew the election of a fiscal agent for one term without the advertisement required by present law.

Effective on the first Monday in June (June 2), 2014.
