HB No. 1021

Abstract: To prohibit the transport of hazardous materials within a five-mile radius of a university by carriers in any parish with a population range of 440,000 to 455,000.

Proposed law provides that in any parish with a population range of 440,000 to 455,000, according to the latest federal decennial census, no carrier can transport hazardous materials within a five-mile radius of a university, except for a carrier making a local pickup or delivery, carrier using the route to reach a local pickup or delivery point, or a carrier using the route to reach a maintenance or service facility.
