15	"J.(1) When a local government body has reason to believe that a
16	violation of any provision of this Subpart, or any rule, regulation, or permit
17	relating to a use of state concern, issued pursuant to the provisions of this
18	Subpart may have occurred, or may be occurring, the local government body
19	may file a complaint with the office of coastal management. The complaint
20	shall state all of the following:
21	(a) A description of the alleged violation.
22	(b) The general location of where the alleged violation has occurred.
23	(c) The name and address of all known owners of the property where
24	the alleged violation has occurred.
25	(d) The permit number of any coastal use permits that have allegedly
26	been violated.
27	(e) The identity of the persons who allegedly violated any provision
28	of this Subpart or any rules, regulations or permits issued thereto.
29	(f) The contact person for the local government body, including the
30	contact person's phone number and email address.
31	(2) Upon receipt of a complaint as provided for in Paragraph J(1) of
32	this Section, the office of coastal management shall notify any persons
33	identified in the complaint who are alleged to be in violation of any provision
34	of this Subpart or any rule, regulation, or permit issued pursuant to the
35	provisions of this Subpart and shall conduct a preliminary investigation of
36	the alleged violation. Upon completion of the preliminary investigation, and
37	no later than ninety days after receipt of the complaint being investigated, the
38	office of coastal management shall prepare a preliminary inspection report
39	containing all of the following:
40	(a) A listing of the permits at issue.

1	(b) The identity of any person alleged to be in violation of any
2	provision of this Subpart or any rule, regulation, or permit issued pursuant
3	thereto.
4	(c) The geographical coordinates of the area at issue.
5	(d) The preliminary findings resulting from the investigation.
6	(3) Upon completion of the preliminary inspection report, the office
7	of coastal management shall notify the local government body filing the
8	complaint and any person who is alleged to be in violation of any provision
9	of this Subpart or any rule, regulation, or permit issued pursuant thereto of
10	the complaint and the preliminary inspection report. The person alleged to
10	be in violation and the local government body filing the complaint shall have
11	
12	ninety days from receipt of the preliminary inspection report to submit a
	response to the office of coastal management. $(1)(z)$ The gravitation density final investigation of each allowed
14	(4)(a) The secretary shall conduct a final investigation of each alleged
15	violation in the complaint and shall consider any response to the preliminary
16	report submitted by any person. Following the conclusion of the
17	investigation, the secretary shall make a determination of whether the
18	violation alleged has occurred or is occurring and shall notify all persons of
19	the final decision. If the secretary determines that a violation of any
20	provision of this Subpart, or any rule, regulation, or permit relating to a use
21	of state concern, issued pursuant to the provisions of this Subpart has
22	occurred or is occurring, the secretary shall initiate and diligently prosecute
23	any enforcement action determined to be consistent with this Subpart,
24	including the coastal management program authorized by this Part, the state's
25	master plan for integrated coastal protection, and any other enforcement
26	action authorized by this Section.
27	(b) Proceedings for judicial review of the secretary's final decision
28	made in accordance with Subparagraph (a) of this Paragraph may be
29	instituted by filing a petition in the district court of the parish in which the
30	secretary is located within thirty days after the transmittal of notice of the
31	final decision, or if a rehearing is requested, within thirty days after the
32	decision on the rehearing in accordance with the Administrative Procedure
33	Act.
34	(5) The Department of Natural Resources shall promulgate rules,
35	regulations, and standards to implement the provisions of this Subsection in
36	accordance with the Administrative Procedure Act."
