- 11 On page 8, between lines 18 and 19, insert the following:
- 12 "\$1299.35.6. Woman's Right To Know

* * *

B. Informed consent; requirements. After a woman is determined to be pregnant, no abortion shall be performed or induced without the voluntary and informed consent of the woman upon whom the abortion is to be performed or induced. Except in the case of a medical emergency, consent to an abortion is voluntary and informed if and only if:

19 * * *

(5)(a) Provision of printed materials. At least twenty-four hours before the abortion, the woman is given a copy of the printed materials described in this Section by the physician who is to perform the abortion, the referring physician, or a qualified person as defined in Subparagraph (4)(c) of this Subsection. If the woman is unable to read the materials, they shall be read to her. If the woman asks questions concerning any of the information or materials, answers shall be provided to her in her own language.

- (b) Each copy of a printed item that the department creates for the purpose of distribution to a woman considering abortion, as required by this Section, shall be marked with a unique identifier printed on three segments that are perforated and can be torn easily from the printed item.
- 31 (c) When the physician or other qualified person conveys the booklet or 32 other printed item to a woman or minor female considering an abortion as required

1 in this Section, he shall remove two segments bearing the unique identifier and 2 dispense with those segments as follows: 3 (i) He shall place one segment bearing the unique identifier in the medical 4 record of the woman along with all other documentation required by R.S. 5 40:1299.35.8. 6 (ii) He shall submit one segment bearing the unique identifier to the 7 department within thirty days after the date of the abortion along with all other 8 documentation required by R.S. 40:1299.35.10.

(d) The department may produce copies of the materials described in this Section that do not bear unique identifiers, and such materials lacking unique identifiers may be distributed to persons other than women and minor females who are required to receive the materials by the provisions of this Section, and to have certification of receipt of the materials included in their medical records in accordance with R.S. 40:1299.35.8(A). All copies of materials that women and minor females considering abortion are required to receive shall bear a unique identifier in accordance with Subparagraph (b) of this Paragraph for the purpose of facilitating recordation in accordance with Subparagraph (c) of this Paragraph."
