EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

According to an official with the Iberia Parish Clerk of Court’s Office, this bill has no anticipated impact on expenditures. The Clerk of Court’s Office informed us that no employees of that office would work on the holiday. The holiday would result in fewer days to provide services to the public, but the Clerk’s Office does not anticipate additional costs in the future to make up for services that would otherwise have been provided on the holiday.
