Provides relative to partitions of immovable property and minority interests. (gov sig)

Present law provides that if immovable property is susceptible of partition by licitation or private sale and a co-owner or co-owners owning an aggregate interest of 15% or less of the immovable property petition the court to partition the property, the court shall allow the remaining co-owners to purchase at private sale the petitioners' shares at a price determined by a court-appointed appraiser. Proposed law provides that if immovable property is susceptible to partition by licitation or private sale, and a petition to partition the property is filed by a co-owner or co-owners owning either an aggregate interest of 15% or less of the immovable property or an aggregate interest of 20% or less of the immovable property if there was past ownership of the whole by a common ascendant, the court shall allow the remaining co-owners to purchase at private sale the petitioners' shares at a price determined by a court-appointed appraiser. Proposed law adds that where past ownership of the property was by a common ascendant, each remaining co-owner shall have 90 days rather than 30 days to file such notice. Effective upon governor's signature.
