HCR No. 143

Urges and requests the commissioner of conservation and the secretary of the Dept. of Natural Resources, in consultation with the attorney general and with the assistance of the legislative auditor as requested, to cooperatively and jointly conduct a comprehensive assessment and evaluation of the hazards from pipelines inadequately covered, marked, or protected and no longer buried as originally designed or permitted and to make recommendations for any necessary statutory rule, regulation, or policy change in order to abate or mitigate such hazards.

Requests the report of the assessment and evaluation and recommendations be submitted to the House Committee on Natural Resources and Environment and the Senate Committee on Natural Resources no later than March 1, 2015.
