House Bill No. 798 by Representative Stokes

TAX/STATE: Provides relative to the enforcement and adjudication of state taxes

Synopsis of Senate Amendments

1. Technical.

Digest of Bill as Finally Passed by Senate

General Tax Administration

<u>Present law</u> provides authority for the secretary of the Dept. of Revenue (secretary) and (department) to waive various taxes, fees, and penalties under certain amounts, and to waive liens, privileges, and mortgages in certain specific circumstances, all of which at some point require approval by the Board of Tax Appeals (board).

Proposed law changes thresholds for approval by the board as follows:

- (1) Penalty for failure to file an annual tax return by a person who withholds wages for purposes of individual income tax, <u>from</u> \$5,000 to \$25,000.
- (2) Penalties generally with regard to income tax, <u>from</u> all waivers <u>to</u> waivers in excess of \$25,000.
- (3) Penalties generally with regard to delinquent filing or delinquent payment of any tax subject to collection by the department under certain circumstances, <u>from</u> \$5,000 to \$25,000.
- (4) Cancellation of a lien, privilege, or mortgage under certain circumstances, <u>from</u> board approval for all <u>to</u> no board approval.

<u>Present law</u> provides requirements for the filing of La. corporation income tax returns when there are I.R.S. adjustments to or an extension of time for the filing of a federal corporation income tax return. If a federal return is adjusted by the I.R.S., the taxpayer must within 60 days of the date of the adjustment, furnish a statement to the secretary disclosing the nature and amount of the adjustment. Further, the secretary is authorized to provide for an automatic extension of time for the filing of a state return of up to seven months when there has been an extension of time for the filing of the federal tax return.

<u>Proposed law</u> changes <u>present law</u> by requiring that the taxpayer file an amended tax return rather than a statement, and by increasing the time from the date of the federal adjustment for the filing of the amended state tax return <u>from</u> 60 days <u>to</u> 180 days. <u>Proposed law</u> retains <u>present law</u> regarding the secretary's authority to grant an extension of time, and adds authority for the granting of an extension of time equal to that allowed for the federal return.

<u>Present law</u> requires the secretary to notify a taxpayer by certified mail of an offset to his tax refund due to either amounts owed to a state agency or outstanding child or spousal support payments.

<u>Proposed law</u> retains <u>present law</u> but changes the method of notification <u>from</u> certified mail <u>to</u> mail.

<u>Present law</u> authorizes the secretary to file suit by ordinary process for the collection of taxes.

<u>Present law</u> further authorizes collection by expedited summary court proceeding for the purpose of facilitating and expediting the determination and trial of all claims for taxes, penalties, interest, attorney fees, and other costs relating to taxes collected and administered by the department.

<u>Proposed law</u> retains <u>present law</u> but restricts the use of expedited summary court proceedings to the following instances:

- (1) The proceeding is for collection of a tax assessment that has become final or is for an assessment of a tax that is shown on the face of a tax return, or an assessment and claim in a bankruptcy or receivership proceeding.
- (2) A jeopardy assessment that has been or could be issued against a defendant.
- (3) A rule to cease business has been or is concurrently brought against the defendant.
- (4) The matter involves the special authority to enforce collection of taxes where a corporation, limited liability company, or limited partnership fails to file a return or remit income taxes withheld from the wages of its employees.

<u>Present law</u> provides procedures for the payment of tax under protest, which include the taxpayer notifying the department of an intention to file suit to recover their payment.

<u>Proposed law</u> retains <u>present law</u> and adds the filing of a petition with the board as an option for a taxpayer who pays under protest and seeks to recover their payment.

<u>Proposed law</u> adds authority for the secretary to promulgate rules and regulations in accordance with the Administrative Procedure Act concerning the waiver of penalties, including the establishment of a voluntary disclosure program.

Board of Tax Appeals - General provisions

<u>Present law</u> allows the board to issue subpoenas and order depositions.

<u>Proposed law</u> retains <u>present law</u> and adds authorization for the board to compel written discovery.

<u>Present law</u> allows the board to assign a single board member to serve as a hearing officer for a case and report back to the entire board regarding the proceeding.

<u>Proposed law</u> retains <u>present law</u> and adds authority for a single member to report back to the entire board regarding the law at issue in the proceeding.

<u>Present law</u> requires that the board's decisions, orders, and judgments be published.

<u>Proposed law</u> retains <u>present law</u> and provides that the board's internal deliberative communications on its cases are to be considered judicial proceedings for purposes of <u>present law</u> governing public records.

<u>Proposed law</u> authorizes the board and the secretary to enter into an agreement for a fixed annual interagency transfer to the board as payment in lieu of filing fees owed by the secretary for cases heard by the board.

Board of Tax Appeals - Appeals of decisions of the board

<u>Present law</u> establishes procedures for appeal of a decision of the board to a district court as follows: the department or taxpayer may appeal within 30 days of the date of the decision; before filing an appeal, the party intending to appeal must notify the board of their intention; a taxpayer appealing a decision where the board has found tax to be due must post a bond

equal to one and one-half times the amount of the tax, interest, and other unspecified additional amounts required by <u>present law</u>.

<u>Proposed law</u> retains <u>present law</u> regarding an appeal of a decision of the board with respect to the notice for and timing of the filing of an appeal.

<u>Proposed law</u> changes <u>present law</u> by adding a limitation on the requirement for the posting of a bond to exclude from such requirement, any taxpayer who has paid under protest. Further, provisions are added specifying that the nature of the bond and procedures for posting bond shall be consistent with those required for a suspensive appeal in a civil matter under the Code of Civil Procedure.

<u>Proposed law</u> further provides that deadlines other than for the time and notice for the initial filing of the appeal, and rules governing the briefing and answering of the appeal shall be the same as provided for in civil matters under the Code of Civil Procedure and all applicable court rules.

<u>Proposed law</u> changes the venue for appellate review of board decisions <u>from</u> a district court <u>to</u> a court of appeal. <u>Proposed law</u> adds provisions for the respective court of appeal to exercise supervisory jurisdiction over a case pending before the board in the same manner as provided for in a civil matter pending in a district court within its circuit.

<u>Present law</u> authorizes the appellate court to modify, reverse, or remand a decision of the board.

<u>Proposed law</u> retains <u>present law</u> and adds authorization for the appellate court to order that a case be immediately transferred to a district court to consider issues of constitutionality.

<u>Present law</u> provides for a myriad of time lines for a decision of the board to become final, some of which are obsolete as some steps and terms do not exist under the contemporary allocation of appellate court authority.

<u>Proposed law</u> deletes <u>present law</u> and provides that a decision of the board becomes final under the following two circumstances: if the decision is not appealed within 30 days, or, if it is timely appealed, then the decision of the appellate court is final under the same rules and timing as is provided for in civil matters under the Code of Civil Procedure.

<u>Present law</u> contains provisions requiring that a party petition the legislature for permission to appeal a decision of the board in a claim against the state proceeding.

<u>Proposed law</u> removes provisions of <u>present law</u> requiring a petition to the legislature, and instead authorizes a suit on a claim against the state if that cause of action is otherwise allowed by law.
