DIGEST

Broome

SCR No. 134

Requests BESE to examine and consider the status of school suspensions and expulsions, as well as plans to revise current school discipline policies in response to the "Supportive School Discipline Initiative" launched by the U.S. departments of education and justice.

Requires the board to submit a written report to the Senate Committee on Education, the House Committee on Education, and the Senate Select Committee on Women and Children, not later than March 1, 2015.
