Provides relative to motions for summary judgment

Proposed law authorizes the court to permit documentary evidence to be filed in an electronic format authorized by the local rules or the clerk of the district court.

Proposed law provides that a memorandum or motion to strike objecting to evidence in support of or opposition to a motion for summary judgment shall be served pursuant to Art. 1313 within the time limits provided by District Court Rule 9.9.

EXPENDITURE EXPLANATION

There are currently courts in the state that do allow for documentary evidence to be filed in an electronic format. However, any court that currently does not have the ability to receive filings electronic and makes upgrades to receive electronically will incur a cost. An increase in local fund expenditures may occur if a court purchases equipment to receive electronic filings.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
