SENATE BILL NO. 425

## BY SENATORS CORTEZ, BROOME, DORSEY-COLOMB, JOHNS, MILLS AND THOMPSON AND REPRESENTATIVE ORTEGO

1	AN ACT
2	To enact R.S. 33:42 and R.S. 40:4.15, relative to water and sewer systems; to provide
3	relative to the operation and maintenance of certain water and sewer systems; to
4	provide relative to required standards, including but not limited to chlorination and
5	other standards; to provide for the failure to satisfy such standards and the effects of
6	such failure; to authorize certain actions by a political subdivision; to provide certain
7	definitions, terms, conditions, and procedures; to provide for certain rulemaking; and
8	to provide for related matters.
9	Be it enacted by the Legislature of Louisiana:
10	Section 1. R.S. 33:42 is hereby enacted to read as follows:
11	§42. Privately owned public water supply and sewer systems; failure to meet
12	certain standards; effects
13	A. The provisions of this Section shall apply to any political subdivision
14	within a parish having a population greater than two hundred thousand but less
15	than two hundred and thirty thousand according to the latest federal census.
16	B. A privately owned public water supply or sewer system provider
17	serving the residents of a political subdivision as set forth in this Section shall
18	comply with all applicable standards set forth in law and regulation, including
19	standards relative to chlorination and iron and manganese control of drinking
20	water and disinfection of waste water discharged in compliance with such sewer
21	system provider's permit, rules, regulations, and laws governing the operation
22	of such sewer system provider.
23	C.(1) In addition to any other penalty or liability authorized by law that
24	may be imposed upon a privately owned public water supply or sewer system
25	provider that fails to meet applicable standards, a political subdivision may by

SB NO. 425 ENROLLED

ordinance adopt a remediation charge to be imposed upon such a system operating therein in accordance with such conditions and in such an amount as the political subdivision determines in order to implement the provisions of this Section.

(2) A privately owned public water supply or sewer system provider that is penalized by the state or political subdivision within which it operates at least two separate times within a consecutive twelve-month period due to failure to comply with applicable laws and regulations relative to water supply or wastewater treatment and discharge shall, upon the request of the governing authority of the political subdivision, transfer such system to the political subdivision for just compensation or be subject to receivership pursuant to R.S. 30:2075.3 or R.S. 40:5.9. Such a transfer shall be subject to applicable rules, regulations, and laws governing the transfer of a permit, license, or certificate for a privately owned public water supply or sewer system provider and shall be subject to approval by the Public Service Commission.

D. The Department of Health and Hospitals shall provide technical assistance concerning iron and manganese issues to privately owned public water supply providers to pursue possible solutions such as installing new wells with greater depths and to assist impacted populations to resolve their drinking water issues.

E. Privately owned public water supply providers that have on-site water filtration systems shall be required to maintain and utilize such systems.

Any privately owned public water supply provider that fails to maintain and utilize any such system shall be subject to a fine by the Department of Health and Hospitals of one thousand dollars per day until the system is maintained and utilized.

F. The provisions of this Section shall not apply to any privately owned public water supplier or sewer system provider who, on January 1, 2014, conducted operations in three or fewer parishes. This Section shall apply to any privately owned public water supplier or sewer system provider who, on

1 January 1, 2014, conducted operations in more than three parishes. 2 Section 2. R.S. 40:4.15 is hereby enacted to read as follows: 3 §4.15. Water systems; iron and manganese control 4 The office of public health of the Department of Health and Hospitals 5 shall promulgate and adopt rules in accordance with the Administrative Procedure Act to implement iron and manganese control requirements for 6 7 water systems. PRESIDENT OF THE SENATE SPEAKER OF THE HOUSE OF REPRESENTATIVES GOVERNOR OF THE STATE OF LOUISIANA
