DIGEST 2015 Regular Session

Gary Smith

<u>Present law</u> authorizes any port to utilize the design-build method on certain port construction projects pursuant to a pilot program when the notice of intent for the project is advertised prior to December 31, 2015.

<u>Proposed law</u> extends the time for any port to utilize the design-build method pilot program for five years <u>from</u> December 31, 2015 <u>to</u> December 31, 2020.

Effective August 1, 2015.

SB 66 Original

Amends R.S. 34:3523(A)(2) and (J))
