## DIGEST 2015 Regular Session

**Nevers** 

<u>Present law</u> provides that no policy or contract of liability insurance shall be issued or delivered in this state, unless it contains provisions to the effect that the insolvency or bankruptcy of the insured shall not release the insurer from the payment of damages for injuries sustained or loss occasioned during the existence of the policy, and any judgment which may be rendered against the insured for which the insurer is liable which shall have become executory, shall be deemed prima facie evidence of the insolvency of the insured, and an action may thereafter be maintained within the terms and limits of the policy by the injured person, or his survivors, mentioned in Civil Code Art. 2315.1, or heirs against the insurer.

<u>Present law</u> further provides that the injured person or his survivors or heirs mentioned in <u>present law</u>, at their option, shall have a right of direct action against the insurer within the terms and limits of the policy; and, such action may be brought against the insurer alone, or against both the insured and insurer jointly and in solido, in the parish in which the accident or injury occurred or in the parish in which an action could be brought against either the insured or the insurer under the general rules of venue prescribed by Code of Civil Procedure Art. 42 only; however, such action may be brought against the insurer alone only when at least one of the following applies:

- (1) The insured has been adjudged bankrupt by a court of competent jurisdiction or when proceedings to adjudge an insured bankrupt have been commenced before a court of competent jurisdiction.
- (2) The insured is insolvent.

SB 206 Original

- (3) Service of citation or other process cannot be made on the insured.
- (4) When the cause of action is for damages as a result of an offense or quasi-offense between children and their parents or between married persons.
- (5) When the insurer is an uninsured motorist carrier.
- (6) The insured is deceased.

<u>Proposed law</u> retains <u>present law</u> and adds that an additional instance in which such action may be brought against the insurer alone shall be when the insured is a small business employing 50 or fewer full-time employees.
