Kleckley

Provides for a hospital stabilization formula pursuant to Art. VII, Sec. 10.13 of the Constitution of Louisiana including an assessment, reimbursement enhancements, and a base reimbursement level.

Provides for DHH to calculate, collect, and levy as an assessment from hospitals equal to the lesser of one of the following:

- (1) The state portion of the cost, excluding any federal financial participation, of the reimbursement enhancements from the payment for health care services through the implementation of Medicaid expansion which are directly attributable to payments to hospitals.
- (2) 1% of the total net patient revenue of all hospitals included in the assessment, as reported in the Medicare cost report ending in federal fiscal year 2013.

Further provides for the allocation of the assessment to each assessed hospital based on a pro-rata calculation. Authorizes the Dept. of Health and Hospitals to exclude certain hospitals from the assessment.

Provides for the assessment if the following occur:

- (1) Implementation of the reimbursement enhancements from the payment for health care services through the implementation of Medicaid expansion on or before April 1, 2016.
- (2) The applicable federal financial participation for newly eligible Medicaid recipients under Medicaid expansion is less than one hundred percent.
- (3) Approval from the Joint Legislative Committee on the Budget of the proposed assessment, including a list of each hospital that will be assessed.

Provides for reimbursement enhancements from the following:

- (1) Payment for health care services through the implementation of Medicaid expansion.
- (2) Payment of hospital inpatient and outpatient reimbursement rates which are not less than the reimbursement rates in effect on December 31, 2010, if there are adequate savings generated from the implementation of Medicaid expansion and funds are appropriated in the budget.

Provides for a hospital base reimbursement level based on rates in effect on June 30, 2013. Further provides for exceptions to the rates used to define and establish the base reimbursement level.
