Extends the benefit deadline in the Workers' Compensation Second Injury Fund. (gov sig)

Under present law, for second injuries occurring between July 1, 2010, and July 1, 2015, the Second Injury Fund reimbursement schedule excludes the first 104 weeks of indemnity benefits and the first \$25,000 of medical benefits from reimbursement. Proposed law retains present law but eliminates the exclusion end date.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed legislation eliminates the "sunset" date of the benefit deadline; thereby making the current deductibles reflected in the Second Injury Fund reimbursement schedule permanent.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
