22 States Congress, regardless of any requirement to pay dues or tuition in order to  
23 become a member of or participate with the organization, and that has established  
24 a youth adventure center in an area of at least four hundred contiguous acres within

6           sponsored by a nonprofit youth organization, including one that allows the nonprofit  
7           youth organization the use of its land for the adventure, educational, or recreational  
8           activity.

9           (7) "Youth adventure center" means land and facilities managed by a  
10          nonprofit youth organization or provider for adventure, educational, or recreational

3 (5) Prepare and present to each participant or prospective participant, for the  
4 participant's inspection and signature, a statement which clearly and concisely  
5 explains the liability limitations, restrictions, and responsibilities set forth in this  
6 Section, provided that the statement shall not contain nor have the effect of a waiver  
7 of a nonprofit youth organization or provider's duties set forth in this Section. For

24 the nonprofit youth organization or provider, performing an adventure, educational,
