

RÉSUMÉ DIGEST

SCR 59

2015 Regular Session

Buffington

Recognizes and supports opportunities for civil discourse and discussion of the Nine Simple Rules, as suggested by Dr. P.M. Forni of Johns Hopkins University.

Encourages every legislator to agree to abide by the principles of civility as outlined in the Speak Your Peace initiative.

Encourages all citizens to speak up, to become involved in government and in public debate and to request that individuals, businesses, churches, schools, local governments, and civic organizations adopt similar resolutions in support of the principles of civility and incorporate these principles into their everyday life and work.
