Abstract: Provides relative to attempts to challenge or invalidate extensions of corporate limits by municipalities.

<u>Present law</u> provides relative to annexation by municipalities. Authorizes the governing body of any municipality other than the city of New Orleans to, by ordinance, enlarge the boundaries of the municipality to include territory within which all of the land is owned by a state agency, political subdivision, or public body. Provides that such annexation requires petition of the governing body of the agency, political subdivision, or public body or provides that such annexation requires the land which is to be so included. <u>Proposed law</u> retains <u>present law</u> and specifies that only the state agency, political subdivision, or public body that owns the land subject to such a municipal annexation may challenge or otherwise seek to invalidate an ordinance to enlarge the boundaries of the municipality.

<u>Proposed law</u> provides an exception to <u>proposed law</u> by authorizing a municipality that does not own the land subject to a municipal annexation to challenge or otherwise seek to invalidate an ordinance to enlarge the boundaries of another municipality if the area annexed meets all of the following conditions:

- (1) It is located within one mile of a boundary of the challenging municipality.
- (2) All of the land within the area is owned by state agency, political subdivision or public body.
- (3) It is not contiguous to the annexing municipality.

(Adds R.S. 33:180(D))
