EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

According to an official with the clerk of court for Avoyelles Parish and with the clerk of court for Ouachita Parish, the clerks' offices are already paying 100% of group insurance premiums for current employees. Therefore, this practice would continue with their retirement resulting in no fiscal impact. In addition, the parishes already pay 100% of group insurance premiums for their retirees. Therefore, this bill puts in to law what is already being practiced and there would be no related fiscal impact as a result of the bill.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
