4	Care Act".
5	§286.22. Findings and intent
6	A. The legislature hereby finds and declares the following:
7	(1) Parents make important decisions every day regarding participation by
8	their children in activities, and caregivers of children in foster care are faced with
9	making the same decisions for their foster children.
10	(2) When a foster caregiver makes decisions, he must consider applicable
1	laws and rules to safeguard the health and safety of a child in his care; and those laws

14	(3) Participation in age- and developmentally appropriate activities is
15	important to a child's well-being, both emotionally and in terms of developing
16	healthy coping mechanisms and valuable life skills.
17	B. It is the intent of the legislature to recognize the importance of
18	normalizing the lives of children in foster care while ensuring their health and safety,
19	and to empower caregivers and legal custodians to support and encourage a child's
20	participation in activities.
21	§286.23. Standard of care; application
22	A. It is the policy of this state that each child who enters foster care should
23	be encouraged and supported to participate in age- and developmentally appropriate
24	extracurricular, enrichment, cultural, social, and sporting activities.
25	B.(1) Each caregiver shall use the reasonable and prudent parent standard as
26	defined in R.S. 46:283(D) in determining whether to give permission for a child
