EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

The bill appears to be correcting language in Act 123 of 2015 that has been the subject of dispute with taxpayers regarding the limitation of net operating loss deductions. This bill will presumably insure that the fiscal effect anticipated by Act 123 is realized. Act 123 was anticipated to generate some \$122 million in FY16 and FY17.
