3 §301. Definitions

4 As used in this Chapter the following words, terms, and phrases have the
5 meaning ascribed to them in this Section, unless the context clearly indicates a
6 different meaning:

7 (1) "Business" includes any activity engaged in by any person or caused to
8 be engaged in by him with the object of gain, benefit, or advantage, either direct or
9 indirect. The term "business" shall not be construed to include the occasional and
10 isolated sales by a person who does not hold himself out as engaged in business.

11 (2) "Collector" shall mean and include (a) the secretary of the Department
12 of Revenue for the state of Louisiana and includes his duly authorized assistants,
13 when used in reference to a sales and use tax levied by the state, or (b) the individual
14 or entity designated as collector of the appropriate single sales and use tax collection
15 office, and his duly authorized assistants, of any political subdivision authorized
16 under the constitution and laws of the state of Louisiana to levy and collect a sales
17 and use tax, except a statewide political subdivision, when used in reference to a
18 sales and use tax levied by such political subdivision.

19 (3)(a) "Cost price" means the actual cost of the articles of tangible personal
20 property without any deductions therefrom on account of the cost of materials used,
21 labor, or service cost, except those service costs for installing the articles of tangible
22 personal property if such cost is separately billed to the customer at the time of
23 installation, transportation charges, or any other expenses whatsoever, or the
24 reasonable market value of the tangible personal property at the time it becomes
25 susceptible to the use tax, whichever is less.

26 (b) In the case of tangible personal property which has acquired a tax situs
27 in a taxing jurisdiction and is thereafter transported outside the taxing jurisdiction for
28 repairs performed outside the taxing jurisdiction and is thereafter returned to the
29 taxing jurisdiction, the cost price shall be deemed to be the actual cost of any parts

1 and/or materials used in performing such repairs, if applicable labor charges are
2 separately stated on the invoice. If the applicable labor charges are not separately
3 stated on the invoice, it shall be presumed that the cost price is the total charge
4 reflected on the invoice.

5 (c) "Cost price" shall not include the supplying and installation of board
6 roads to oil field operators if the installation charges are separately billed to the
7 customer at the time of installation.

8 (d)(i) In the case of interchangeable components located in Louisiana, a
9 taxpayer may elect to determine the cost price of such components as follows:

10 (aa) The taxpayer shall send to the secretary written notice of the calendar
11 month selected by the taxpayer as the first month for the determination of cost price
12 under this Paragraph (the "First Month"). The taxpayer may select any month. The
13 taxpayer shall send to the secretary notice of an election to designate a First Month
14 on the first day of the designated First Month, or ninety days from July 1, 1990,
15 whichever is later.

16 (bb) For the First Month and each month thereafter, cost price shall be based
17 and use tax shall be paid only on one-sixtieth of the aggregate cost price of the
18 interchangeable components deployed and earning revenue within Louisiana during
19 the month, without regard to any credit or other consideration for Louisiana state,
20 political subdivision, or school board use tax previously paid on such
21 interchangeable components.

22 (cc) Any election made under this Paragraph shall be irrevocable for a period
23 of sixty consecutive months inclusive of the First Month. If at any time after the
24 sixty-month period the taxpayer revokes its election, no credit or other consideration
25 for use taxes paid pursuant thereto shall be applied to any use tax liability arising
26 after such revocation.

27 (ii)(aa) For purposes of this Paragraph, "interchangeable component" means
28 a component that is used or stored for use in measurement-while-drilling instruments
29 or systems manufactured or assembled by the taxpayer, which measurement-while-

1 drilling instruments or systems collectively generate eighty percent or more of their
2 annual revenue from their use outside of the state.

3 (bb) "Measurement-while-drilling instruments or systems" means
4 instruments or systems which measure information from a downhole location in a
5 borehole, transmit the information to the surface during the process of drilling the
6 borehole using a wireless technique, and receive and decode the information on the
7 surface.

8 (iii) The method for determining cost price of interchangeable components
9 provided for in this Paragraph shall apply to any use taxes imposed by a local
10 political subdivision or school board. For purposes of that application, the words
11 "political subdivision" or "school board" as the case may be, shall be substituted for
12 the words "Louisiana" or "State" in each instance where those words appear in this
13 Paragraph and an appropriate official of the local political subdivision or school
14 board shall be designated to receive the notices required by this Paragraph.

15 (e) "Cost price" shall not include any amount designated as a cash discount
16 or a rebate by a vendor or manufacturer of any new vehicle subject to the motor
17 vehicle license tax. For purposes of this Paragraph "rebate" means any amount
18 offered by the vendor or manufacturer as a deduction from the listed retail price of
19 the vehicle.

20 (f) The "cost price" of refinery gas shall be fifty-two cents per thousand
21 cubic feet multiplied by a fraction the numerator of which shall be the posted price
22 for a barrel of West Texas Intermediate Crude Oil on December first of the preceding
23 calendar year and the denominator of which shall be twenty-nine dollars, and
24 provided further that such cost price shall be the maximum value placed upon
25 refinery gas by the state and by any political subdivision under any authority or grant
26 of power to levy and collect use taxes.

27 (g) "Cost price", for purposes of the use tax imposed by the state and its
28 political subdivisions, shall exclude any amount that a manufacturer pays directly to
29 a dealer of the manufacturer's product for the purpose of reducing and that actually

1 results in an equivalent reduction in the retail "cost price" of that product. This
2 exclusion shall not apply to the value of the coupons that dealers accept from
3 purchasers as part payment of the "sales price" and that are redeemable by the
4 dealers through manufacturers or their agents. The value of such coupons is deemed
5 to be part of the "cost price" of the product purchased through the use of the coupons.

6 (h)(i) For purposes of a publishing business which distributes its news
7 publications at no cost to readers and pays unrelated third parties to print such news
8 publications, the term "cost price" for purposes of the sales and use taxes imposed
9 by the state under R.S. 47:302, 321, and 331 and any sales and use tax imposed by
10 a political subdivision shall mean only the lesser of the following costs:

11 (aa) The printing cost paid to unrelated third parties to print such news
12 publications, less any itemized freight charges for shipping the news publications
13 from the printer to the publishing business and any itemized charges for paper and
14 ink.

15 (bb) Payments to a dealer or distributor as consideration for distribution of
16 the news publications.

17 (ii) The definition of "cost price" provided for in this Subparagraph shall be
18 applicable to taxes levied by all tax authorities in the state.

22 manufacturer in a plant facility predominately and directly in the actual
23 manufacturing for agricultural purposes or the actual manufacturing process of an
24 item of tangible personal property, which is for ultimate sale to another and not for
25 internal use, at one or more fixed locations within Louisiana, shall be reduced as
26 follows:

27 (aa) For the period ending on June 30, 2005, the cost price shall be reduced
28 by five percent.

1 (bb) For the period beginning July 1, 2005, and ending on June 30, 2006, the
2 cost price shall be reduced by nineteen percent.

3 (cc) For the period beginning July 1, 2006, and ending on June 30, 2007, the
