HB 62 Reengrossed

2016 First Extraordinary Session

Jackson

Abstract: Imposes a one percent state sales and use tax, beginning April 1, 2016, and ending September 30, 2017, and provides with respect to the tax base.

Proposed law imposes a 1% state sales and use tax upon the sale at retail, the use, the consumption, the distribution, and the storage for use or consumption in this state of each item or article of tangible personal property as well as certain services. The tax shall be levied beginning April 1, 2016, and will cease to be effective on October 1, 2017.

Present law establishes a dedication for economic development activities of an amount equal to 0.004% of all state sales and use tax annual collections that remain after satisfaction of the requirements of the present constitution for the Bond Security and Redemption Fund. Of that amount, \$2 million is deposited into the Marketing Fund, which is a special fund within the state treasury for the support of various specific economic development organizations. All monies in excess of the Marketing Fund allocation are deposited into the La. Economic Development Fund, which is a special treasury fund to support a wide variety of economic development activities.

Proposed law adds to present law by specifying that the tax established under proposed law shall not be subject to the dedication of revenues for economic development.

Present law provides definitions for terms used for purposes of state and local sales and use tax. Present law establishes the following exclusions from tax in the form of definitions:

(1) From the definition of "cost price":

Regarding the cost of certain publishing of free news publications, the cost is limited to the lesser of the printing cost paid to unrelated third parties, less any itemized freight charges for shipping and any itemized charges for paper and ink, or, payments to a dealer or distributor as consideration.

Electricity and natural gas purchased or used by paper or wood products manufacturing facilities.

Property consumed in the manufacturing process by paper and wood products manufacturers.

(2) From the definition of "lease or rental":

Oilfield drilling equipment to be re-leased or re-rented.

Airplanes or airplane equipment used by a commuter airline domiciled in La.

Manufacturing machinery and equipment used for purposes related to production of biodiesel.

Lease of a crane with an operator.

Pallets used by a manufacturer for packaging.

(3) From the definition of "retail sale":

Pollution control equipment.

Equipment and devices associated with the wireless communication devices and wireless telephone service.

Pelletized paper waste used as fuel for power generation.

Manufacturing machinery and equipment used for purposes related to production of biodiesel.

Telephone directories used for advertising.

Natural gas to be held, used or consumed in providing natural gas storage ("cushion" or "pad" gas).

Storm shutter devices.

Anthropogenic carbon dioxide used in a qualified tertiary recovery project (mineral

exploration and production).

Property sold at an event for La. culture, crafts, food, art, and music, with a five year annual attendance in excess of 300,000 (New Orleans Jazz Festival).

(4) From the definition of "sales price":

The first \$50,000 of the sale price of new farm equipment used in poultry production.

That portion of the value of refinery gas sold to another person by the person who owns the gas generation facility, whether at retail or wholesale, that is in excess of 52 cents per thousand cubic feet multiplied by a fraction the numerator of which shall be the posted price for a barrel of West Texas Intermediate Crude Oil on December first of the preceding calendar year and the denominator of which shall be \$29.

Payments made by a manufacturer directly to a dealer of the manufacturer's product for the purpose of reducing the retail "sales price" of the product.

Speciality items sold to members of a non profit carnival organizations for fund-raising purposes if the members are participating in a parade sponsored by the organization.

Electric power and natural gas purchased or used by paper or wood products manufacturing facilities.

(5) From the definition of "sales of services":

Equipment and devices associated with the wireless communication devices and wireless telephone service.

Services performed at an event for La. culture, crafts, food, art, and music, with a five year annual attendance in excess of 300,000 (New Orleans Jazz Festival).

(6) From the definition of "tangible personal property":

Numismatic coins, and platinum, gold, and silver bullion.

Custom computer software.

Equipment used for digital television conversion.

Machinery and equipment used by a motor vehicle manufacturer, glass manufacturer, or public utility in New Orleans.

Newspapers.

(7) From the definition of "use":

Rental of motor vehicles and other tangible personal property.

Free telephone directories used for advertising.

Manufacturing machinery and equipment used for purposes related to production of biodiesel.

Property created or derived as a residue or byproduct of certain manufacturing processes.

Equipment and devices associated with the wireless communication devices and wireless telephone service.

Storm shutter device.

Anthropogenic carbon dioxide used in a qualified tertiary recovery project (mineral exploration and production).

Proposed law limits the application of the exclusions to the existing 4% state sales and use tax.
