The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by J. Ashley Mitchell Carter.

DIGEST 2016 Regular Session

Gatti

<u>Proposed law</u> required each agency within the executive branch to examine the supervisor-to-staff ratios within their agencies.

<u>Proposed law</u> requires a minimum ratio of five employees to one supervisor which shall be maintained by each executive branch agency.

<u>Proposed law</u> requires each executive branch agency to report annually to the State Civil Service Commission, the division of administration and the Joint Legislative Committee on the Budget as to the current ratio and the propriety of such ratio.

Effective August 1, 2016.
