Abstract: Authorizes an automobile expense allowance for the assessor in Ouachita Parish equal to 15% of the assessor's salary to be paid from existing funds of the assessor's office.

Present law authorizes an automobile expense allowance for the assessor in Webster Parish. The allowance is equal to 15% of the assessor's annual salary and payable out of existing funds of the assessor's office, provided the assessor maintains \$300,000 of automobile insurance per accident for bodily injury and \$100,000 of automobile insurance per accident for property damage.

Proposed law retains present law as it relates to the assessor in Webster Parish but adds authorization for the assessor in Ouachita Parish to have an automobile expense allowance as provided for in present law.

Proposed law adds a limitation for the assessors in both Webster and Ouachita parishes that the expense allowance shall be funded by the assessor at no additional expense to the state or local governing authority.
