Present law creates and provides for two fire and police civil service systems: (1) one applicable to any municipality which operates paid police and fire departments and which has a population of not fewer than 13,000 persons; and (2) one applicable to any parish, fire protection district, or municipality with a population of fewer than 13,000, but not fewer than 7,000 persons.

Proposed law retains present law.

Present law creates the office of state examiner of municipal fire and police civil service and additionally creates the office of deputy state examiner, subject to the supervision and orders of the state examiner.

Present law provides that the State Civil Service Commission shall exercise no administrative control over the state examiner or deputy state examiner. Provides that the commission's functions and powers relating to these offices consists solely of the right of appointment, hearing of charges for removal or other disciplinary action legally brought against the incumbents of these offices, and the ordering of their removal or the rendering of such other judgment of a disciplinary nature as it may deem proper after a hearing.
