DIGEST

SB 360 Original

2016 Regular Session

Mills

<u>Present law</u> provides for patient identifying information. <u>Proposed law</u> adds patient medical record number as an optional identifier.

<u>Present law</u> provides a field for patient's diagnosis of life limiting disease and irreversible condition. <u>Proposed law</u> adds information in the same field to identify goals of care.

<u>Present law</u> provides for medical interventions. <u>Proposed law</u> updates medical interventions to clarify that treatments are not limited, but intentionally selected.

<u>Present law</u> provides for a basis on which the orders are made. <u>Proposed law</u> adds additional basis options specific to the advance directive or lack thereof.

<u>Present law</u> provides for instructions on completing a LaPOST form. <u>Proposed law</u> adds additional language to clarify that a LaPOST form is voluntary and does not replace the advance directive.

Effective upon signature of the governor or upon lapse of time for gubernatorial action.
