U. Collection of consumer use tax. It is the duty of the secretary of the Department of Revenue to collect all taxes imposed pursuant to this Chapter and Chapters 2-A and 2-B of this Subtitle which may be due upon the sale by a remote seller dealer of tangible personal property or services in Louisiana. The secretary is authorized and directed to employ all means available to ensure the collection of the tax in an equitable, efficient, and effective manner.

V.(1) In addition to the definition of "dealer" as provided in R.S. 47:301(4) for purposes of the consumer use tax, the term "dealer" includes every person who manufactures or produces tangible personal property for sale at retail, for use or

If the cumulative gross receipts from sales of tangible personal property to customers in this state who are referred to the person through such an agreement exceeds fifty thousand dollars during the preceding twelve months, the presumption regarding the status of that person as a dealer may be rebutted if the person can demonstrate, to the satisfaction of the secretary, that he cannot reasonably be expected to have gross receipts in excess of fifty thousand dollars for the succeeding twelve months.

activities of the affiliated agent are sufficient to satisfy the nexus requirement of the United States Constitution. For purposes of this Subparagraph, such activities of the affiliated agent shall include referral of potential customers to the person, either directly or indirectly, whether by link on an internet website or otherwise.

- (c) In addition to those persons established as dealers according to Subparagraph (b) of this Paragraph, the provisions of this Subsection shall be presumed by a taxing authority to apply to any person who holds a substantial ownership interest, directly or through a subsidiary, in a retailer maintaining sales locations in Louisiana, or to any person who is owned in whole or in substantial part by a retailer maintaining sales locations in Louisiana, or by a parent or subsidiary thereof. For purposes of this Paragraph, "substantial ownership interest" means affiliated persons with respect to each other where one of such persons has an ownership interest of more than five percent, whether direct or indirect, in the other, or where an ownership interest of more than five percent, whether direct or indirect, is held in each of such persons by another person or by a group of other persons which are affiliated persons with respect to each other.
