§93. Period for which deductions and credits shall be taken

A. Except as hereinafter provided in this ~~section~~ Section, the deductions and credits provided for in this Chapter shall be taken for the taxable year in which "paid

 2 basis of which the net income is computed, unless in order to clearly reflect the  
 3 income the deductions or credits should be taken as of a different period.

4 B. The proper year in which to claim deductions for federal income and  
 5 excess profits taxes allowable under the provisions of R.S. 47:55 shall be determined  
 6 as follows, regardless of the method of accounting regularly employed by the  
 7 taxpayer:

8 (1) The amount of tax shown to be due upon the federal income tax return  
 9 of the individual taxpayer, as filed, shall be allowed as a deduction in the state  
 10 individual income tax return for the same period as that for which such federal return  
 11 is filed.

12 (2) Federal income and excess profits taxes paid after the filing of the federal  
 13 return in addition to the amount disclosed to be due by the return as filed shall be  
 14 allowed as a deduction ~~in~~ on the state individual income tax return for that period if  
 15 it is not prescribed. If it is prescribed, the deduction for such additional taxes shall

 25 47:244, less the amount of federal income taxes attributable to the net allocable  
 26 income and net apportionable income derived from sources in this state. The amount

 2 collector of revenue. Proper adjustment shall be made for the actual tax rates  
 3 applying to different classes of income and for all differences in the computation of  
 4 net income for purposes of federal income taxation as compared to the computation

 15 as compared to the computation of net income under this Chapter. Where the  
 16 allocation of the tax is to be based on a ratio of the amount of net income of a  
 17 particular class, both the numerator and the denominator of the fraction used in  
 18 determining the ratio shall be computed on the basis that such net income is  
 19 determined for federal income tax purposes.

 4 federal refund or credit of an overpayment which has not previously been charged  
 5 against or deducted from Louisiana net income shall be excluded from such
