EXPENDITURE EXPLANATION
This bill could increase local fund expenditures for the East Feliciana Waterworks District No. 7 by a maximum of \$10,800 per year.

The proposed bill provides that the governing authority may fix per diem at \$120 per meeting for a maximum number of 36 meetings per year.

Currently, there are 5 members of the East Feliciana Waterworks District No. 7 who receive a per diem of \$60 per meeting for approximately 12 meetings per year at a cost of \$3,600 annually. According to a representative of the East Feliciana Waterworks District No. 7, this bill will only result in an additional cost of \$3,600 annually, as they plan to have only 12 meetings (\$60 per meeting increase * 12 meetings * 5 members).

However, if the board members were to receive what is provided for in this bill, the maximum potential impact could be \$10,800 annually (\$60 per meeting increase * 36 meeting maximum * 5 members).

REVENUE EXPLANATION
There is no anticipated direct material effect on local governmental revenues as a result of this measure.
