EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law allows voters to receive assistance in voting if they provide a current mobility impairment hang tag or license plate to the commissioner-in-charge, expanding what voters can use as proof of disability. This does not represent an expansion of duties for commissioners-in-charge, as they currently certify the need for voting assistance on election day, therefore the proposed legislation has no impact on expenditures.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
