EXPENDITURE EXPLANATION

Expenditures for School Boards will increase with the passage of this bill, which would add the new school district president's position.

The school boards will have an additional cost for the new president's position. Existing law RS 17:56.A.(1) allows current school board presidents to be paid up to \$900 per month or \$10,800 per year. The cost for all 69 school boards would be \$745,200. With the election for the new position not being held until November 2018, the cost in the first fiscal year (2018 -19) would be half of the \$745,200 or \$372,600.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
