SB 416 Original	DIGEST 2016 Regular Session	Donahue
-----------------	--------------------------------	---------

Proposed law allows the governor to recommend, in the executive budget, that the expenditures for each special fund or dedication of money, other than those specified in present law (R.S. 49:308.5(C)), that are to be paid from each such fund be reduced by five percent and that the reduction be transferred to the state general fund in order to cover the cost of administrative expenses that would be incurred as a direct result of activities carried out in furtherance of the specified purposes of each such special fund or dedication of money. Proposed law further allows the legislature to do the same for the operating budget.

Effective August 1, 2016.

(Adds R.S. 39:36(A)(3)(b)(vi)(hh) and R.S. 49:308.5(D))
