Abstract: Authorizes retirees of the Teachers' Retirement System of La. (TRSL) to return to work as a school psychologist in a critical shortage area without reduction of retirement benefits.

<u>Present law</u> generally provides that a retiree of TRSL may not return to work in a position covered by the system and continue to receive their benefit check while reemployed. Further provides exceptions to <u>present law</u>.

<u>Present law</u> provides that in certain circumstances a retiree may return to work in a "critical shortage area" (defined in <u>present law</u>) without reduction of benefits. Such circumstances include returning as a certified classroom teacher, as a certified speech therapist, speech pathologist, audiologist, educational diagnostician, school social worker, or school counselor. <u>Proposed law</u> adds school psychologist to the list of certified professionals who may return to work in a critical shortage area without reduction of benefits.

<u>Present law</u> provides procedures for establishing that a "critical shortage area" exists for purposes of <u>present law</u>. Requires advertisement in the official journal of the employer's governing authority and posting of job vacancies at certain post-secondary institutions. Further limits authority to rehire a retiree for the critical shortage position if more than three non-retirees apply for the position. <u>Proposed law</u> retains <u>present law</u> and requires such certification procedures before a retiree may be reemployed as a school psychologist pursuant to <u>proposed law</u>.

Effective July 1, 2016.
