EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

We assume that any additional collections relating to extending the expiration date for the bidding of a construction contract or the leasing of a privately constructed facility will be used solely for the acquisition of a courthouse facility.

REVENUE EXPLANATION

The bill will increase the revenues collected by the Orleans Civil District Court in the 2016-2017 fiscal year and each subsequent fiscal year through August 15, 2021.

According to the December 31, 2014 audit report of the Orleans Civil District Court Building Commission, building fees of approximately \$1,462,260 were collected. This averages to be \$121,855 per month. Assuming that similar amounts will be collected each month in each fiscal year, the following additional amounts will be collected.

10 ½ month (8/15/16 - 6/30/17) \$121,855 per mo. = \$1,279,478 2016-2017 2017-2021 Each Fiscal Year (12 months) \$121,855 per mo. = \$1,462,260

The Clerk of Orleans Civil District Court provided an estimated increase of \$1,401,201 will be collected in the 2016-2017 fiscal year. However, for purposes of this fiscal note, we are using the audit report numbers as shown above.
