"R.S. 39:101(A), 102(B), and 111 and to enact R.S. 39:105"

4 AMENDMENT NO. 2

5 On page 1, line 3, after "revisions;" and before "and" insert the following:

6 "to provide relative to the contents of a capital outlay budget request; to require the 7 re-submission of applications of certain capital outlay budget requests; to require 8 local match information in capital outlay budget requests; to require certain 9 information to be annually reported to the Joint Legislative Committee on Capital 10 Outlay; to provide for certain requirements;"

- 11 AMENDMENT NO. 3
- On page 1, line 6, after "Section 1." delete the remainder of the line in its entirety and insertthe following:
- "R.S. 39:101(A), 102(B), and 111 are hereby amended and reenacted and R.S.
 39:105 is hereby enacted to read as follows:
- 16 §101. Capital outlay budget request; feasibility studies

17 A.(1)(a) Except as provided in Paragraph (2) of this Subsection, no later than 18 the first day of November each year, the head of each budget unit shall present to the 19 office of facility planning and control of the division of administration a request for all expenditures for capital projects falling within the definition contained in R.S. 20 39:2(9), on forms provided by the office. However, if a legislator is finally elected 21 22 after November first, the legislator shall have until the fifteenth day of December to 23 present such request. A copy of the request shall also be provided by the head of each budget unit to the Legislative Fiscal Office, the Joint Legislative Committee on 24 25 Capital Outlay, the House Committee on Appropriations, the House Committee on 26 Ways and Means, the Senate Committee on Finance, and the Senate Committee on 27 Revenue and Fiscal Affairs. Such annual requests shall contain the information necessary for the feasibility study required pursuant to Article VII, Section 11(C) of 28 the Constitution of Louisiana and shall include projects proposed to be funded within 29 30 the next five years.

31 (b) The application for any capital outlay budget request which receives 32 funding in the capital outlay budget shall be updated each year that the project 33 remains active in the budget process to reflect all changes in the project that occurred 34 since the previous submission. The re-submission of the capital outlay budget 35 request shall be subject to all of the requirements and the November first submission 36 deadline as all other capital outlay budget requests.

CODING: Words in struck through type are deletions from existing law; words <u>underscored</u> are additions.

1	B.(1) The detailed project description and justification shall include an
2	analysis of need with corroborative data, a reasonable estimate of the date when the
3	project will be needed, the project's proposed location, the estimated construction
4	cost, the estimated local match requirement and amount of local funds expended on
5	the project, the cost of equipping and furnishing the project, the space utilization plan
6	of the requesting agency, the cost of opening and operating the facility for the first
7	year, the estimated annual operating and maintenance costs of the facility, and the
8	method and source of financing for each of the next five years, and the estimated
9	completion date of the project as well as an identification and description of other
10 11	similar facilities and projects in the given area and an evaluation of their capabilities
11	to meet needs. The request shall indicate the order of priority.
12	(2)(a) The detailed project description for all statewide programs including
13	but not limited to the statewide roofing program, the major repairs of state office
14	buildings program, the Americans with Disabilities Act implementation for state
15	facilities program, the local government assistance program, the community water
16	enrichment program, and the deferred maintenance programs for all higher education
17	institutions and community college facilities shall include specific information and
18	details of the projects qualifying for funding through the programs proposed to be
19	funded with the appropriations included in the capital outlay budget.
20	(b) Any project receiving an individual appropriation in the capital outlay
20	budget shall submit a capital outlay application by the November first deadline
22	regardless if the project is eligible for funding through a statewide program.
	regardless if the project is engible for funding through a state wide program.
